

As mathematicians we will:

be developing mathematical confidence to use and apply concepts such as:

- 1) The four cornerstones of mathematics (addition, subtraction, division and multiplication)
- 2) Measurement (including time), position and shape
- 3) Data handling - pictograms and block graphs

As scientists we will:

- Consider how we use different materials in everyday life.
- Investigate different properties of materials
- Create experiments to demonstrate our ability to work scientifically.

As historians :

- Go back in time to the nineteenth century to learn about Florence Nightingale
- We will learn about how Florence Nightingale helped soldiers in the Crimean war.
- Go back in time 2000 years to the time of the Romans
- Learn about how the Romans changed our lives in Britain

To enrich our learning we will:

- Potential Florence Nightingale Workshop
- Visit to Chedworth Roman Villa

Year 2 Spring Term The Lady with The Lamp Invaders and Settlers

As British citizens we will:

- Have mini class led debates surrounding historical events.
- Be discussing and analysing those individuals which inspire us.
- Explore friendship and how to manage our emotions.
- We will recognise how the lives of significant people from the past have shaped the world we live in now.

As designers and artists we will:

- Make Florence Nightingale lamps.
- Make Roman chariots
- Develop our drawing and painting skills

As readers and reporters we will:

- be studying a range of books including 'The Tunnel'
- Focus on handwriting, spelling and grammar as the foundations for successful writing.
- Writing diary entries, newspaper reports, fact files, recounts and stories

As athletes we will :

- Be developing our speed, agility and quickness.
- Learning hockey and games skills
- Playing parachute games
