

**As mathematicians we will:**  
be developing mathematical confidence to use and apply concepts such as:

- Doubling and halving
- Money, addition and subtraction
- Geometry
- Solving problems
- Time

**As scientists and engineers we will:**

- Investigate every day materials and their properties.
- Use software to create and store digital content.
- Use software including Scratch Jr, Colour Magic, RM Easimaths.
- Develop our keyboard skills.

**As historians and linguists we will:**

Ask and investigate  
Who was Samuel Pepys?  
What did the Great Fire of London do for London?  
What is a dinosaur?  
Is there such a thing as monsters?

**To enrich our learning we will:**

- Have a visit from the Fire Service to learn about Fire safety.
- Reinact the Great Fire of London.
- Visit The Natural History Museum in Oxford.

**As designers and musicians we will:**

- Create Great Fire of London pictures.
- Design fire safety posters
- Make dinosaur collages

## Year 1 Spring Term Back in Time

**As British citizens we will:**

Look at and model the values of friendship, love, honesty and co-operation.

We will follow the school rules.

**As readers and reporters we will:**

- Retell events
- Create stories
- Use role-play
- Create non-chronological reports
- Create non-fiction texts
- Learn weekly spellings

**As athletes we will :**

- Develop partner work and our gymnastic skills.
- Practise ball skills including throwing, catching and aiming.
