

As mathematicians we will:

be developing mathematical confidence to use and apply concepts such as:

- 1)The four cornerstones of mathematics (addition, subtraction, division and multiplication)
- 2)Decimals, fractions and percentages
- 3)Measurement (including time), position and shape

To enrich our learning we will:

- Take part in hands-on outdoor Viking activities on our trip.
- Perform a play set in Viking times.
- Perform at a Chinese event.

As designers and musicians we will:

- Design and build Viking long ships
- Design Viking shields
- Learn the recorder

As scientists and engineers we will:

- Understand the properties of light.
- Compare and group rocks.
- Explain how fossils are formed.
- Create experiments to demonstrate our ability to work scientifically.
- Be applying our scientific learning to our computing project.
- Create brochures.

Year 3 Spring Term Vikings

As readers and reporters we will:

- be studying a range of books including *The Sagas of Erik the Viking*; creating newspaper articles
- Continue to improve our self editing and improving skills in a range of genres and for many purposes.
- Focus on handwriting, spelling and grammar as the foundations for successful writing.

As historians and linguists we will:

- Go back in time to research the Vikings.
- Explore how Viking villages were made.
- Understand the importance of the Norse gods.
- Develop our understanding of the Chinese language and characters.

As British citizens we will:

- Participate in debates surrounding the ethics and morality of historical events.
- Be discussing and analysing those individuals and organisations which inspire us.
- Explore friendship and how to manage our emotions.

As athletes we will :

Be developing our football skills as well as learning Tai Chi.
